- 1 The Cleethorpes Armed Forces Day Airshow 2024 will take place at Cleethorpes seafront, Lincolnshire, **between 29 and 30 June 2024**. A large number of aircraft will be engaged in high-energy manoeuvres; therefore, the Secretary of State for Transport has decided that it is necessary to introduce Restriction of Flying Regulations under Article 239 of the Air Navigation Order 2016.
- 2 The times mentioned in this Notice are Universal Co-ordinated Time (UTC), which is one hour behind British Summer Time (BST).
- 3 Subject to paragraph 4, **between 1130 and 1630 hours daily, on 29 and 30 June 2024**, no aircraft is to fly below 3000 FT AMSL within the area of a circle having a radius of 2 NM whose centre is 533332N 0000120W.
- 4 Paragraph 3 does not apply to any aircraft flying:

 - b) Operated by or on behalf of the:
 - i. The National Police Air Service;
 - ii. The Helicopter Emergency Medical Services; or
 - iii. The Maritime and Coastguard Agency.
- 5 The helicopter route designated HMR6 lies outside, but in close proximity to the Restricted Area (Temporary); as such, pilots operating within the Restricted Area (Temporary) and on HMR6 are to be aware of the activity.
- 6 In additional Restricted Area (Temporary), of differing dimensions, will be established for the display by The Royal Air Force Aerobatic Display Team, The Red Arrows and will be notified by separate NOTAM. During this period, HMR6, HMR 7 and HMR 8 will not be available for that portion which lies within the restricted airspace. In addition, during this time the VRP of Laceby Crossroad will lie within the lateral confines of the restricted airspace.
- 7 In relation to this document, the term 'aircraft' includes any small balloon, any kite, any unmanned aircraft and any parachute including a parascending parachute or paramotor.
- 8 Details of Restricted Airspace feature in the daily AIS Information Line message 08085-354802 and 01489-887515 and will be included on the Pre-flight Information Bulletins (PIB) through the AIS Website at <http://nats.aero/ais>.
