UK INTEGRATED AERONAUTICAL INFORMATION PACKAGE (IAIP) - CHARGES

1 Introduction

- 1.1 AIS will make its products available in media formats as provided and described below. Where charges for the supply of a particular media format apply, they are based on the costs for production of physical media formats and costs for distribution.

2 Current Media Formats Continued

- 2.1 Internet - AIS make the full IAIP package freely available on the internet <http://www.nats.aero/ais>. The aeronautical information on the AIS website is a full and complete representation of all AIS products.
- 2.2 DVD - The IAIP is available to customers in DVD format. Replacement DVDs are supplied in accordance with the published 28 day schedule known as AIRAC. The supply and distribution of DVDs is managed by Communisis UK on behalf of AIS.
- 2.3 It should be noted that the Internet and DVD versions have equal provenance and provides users with the capability to print information directly.

Annual subscription - DVD: Full Integrated Package (IAIP), Aeronautical Information Publication (AIP) Amendment including Supplements, Aeronautical Information Circulars (AIC), Includes Standard Route Document (SRD)	£119.50 + VAT Notes 1, 2
---	-----------------------------

Note 1: Period: 12 months from date of purchase;

Note 2: Postal rates are available from Communisis UK.
