## LONDON HEATHROW (EGLL) - TAXIWAY BRAVO (NORTH) BETWEEN KILO AND LIMA DOWNGRADED TO CODE E ONLY WITH NO THROUGH ROUTE ON TAXILANE KILO TO TAXIWAY BRAVO

- 1 A worksite will be positioned at Kilo 2 from **6 October 2022 up until the 1 December 2022** which will prevent Taxiway Kilo becoming a through route via K2. This is due to a stop bar being constructed at the northern junction of Kilo and Bravo at K2, so there will be no access to Kilo from Bravo via K2 or Kilo onto Bravo via K2. Taxiway Bravo between Kilo and Lima will be code E only. So no A380 for this time period only.
