## LONDON GATWICK (EGKK) - ADDITION OF TOUCHDOWN ZONE MARKINGS ON RUNWAY 08L/26R

### 1 Introduction

Gatwick Airport Limited is adding Touchdown Zone (TDZ) paint markings on Runway 08L/26R. The location of the markings is shown on the diagram below in black.

### 2 Programme

The works are expected to take place in **September 2024**.  
Exact timings will be confirmed in NOTAMs and Airport Notices as appropriate.

### 3 Operational Implications

As the work is likely to take place over several nights there are likely to be periods where the markings will be partially completed and the full pattern of TDZ markings will not be available. Taxiway closures will be required to complete the works. NOTAMs will be issued as appropriate.

The priority for painting the TDZ markings is shown in the diagram below. Runway 26R landing direction will be completed first.

### 4 Further Information

Further information will be contained in NOTAMs and Airport Notices as appropriate. The UK AIP will be amended in due course.
