## LONDON GATWICK AIRPORT (EGKK) - REMOTE HOLDING ON STANDS 64L, 64R, 65, 66L AND 66R

### 1 Introduction

To facilitate taxiway maintenance works, some of the North Terminal remote stands will be made available for remote holding.

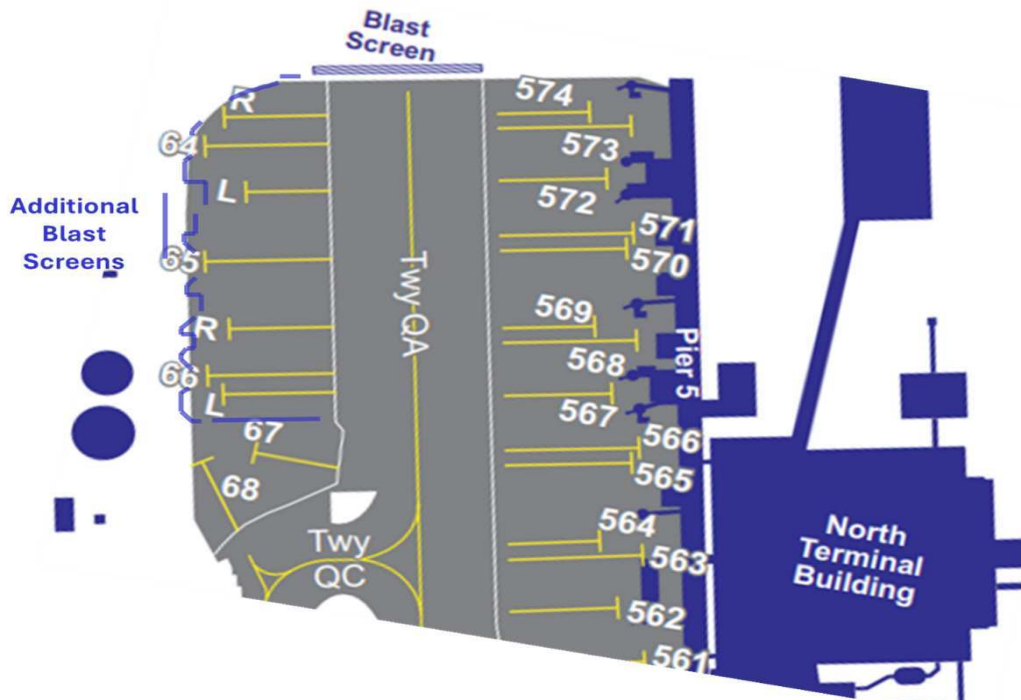

### 2 Programme

The use of the stands for remote holding is planned to commence in September/October 2024. Exact timings will be confirmed in Airport Notices, NOTAMs and ATIS messages as appropriate.

### 3 Operational Implications

After receiving the appropriate instructions from ATC, aircraft will be able to use remote holding by pushing back from and into the following stands:

- Stand 567 to Stand 66L
- Stand 569 to Stand 66R
- Stand 570 to Stand 65
- Stand 572 to Stand 64L
- Stand 574 to Stand 64R

Additional blast screens will be added to protect the adjacent roads and equipment parking areas as shown.

## 4 Enquiries

For any enquiries contact:
