The “**CUT-OFF DATE**” is the LAST DATE by which Change Requests must be submitted. Where possible, Change Requests should be submitted AHEAD of the CUT-OFF Date.

It is not possible to select a specific AIRAC after its' associated CUT-OFF Date.

Sponsors of large or complex Change Requests are encouraged to engage via aissupervisor@nats.co.uk ahead of the submission to open a dialogue with AIS and discuss their Change Request at the earliest opportunity.

Remedial amendments to existing Change Requests that are submitted after the CUT-OFF Date for the requested AIRAC, as well as any errors or incomplete submissions identified by AIS after the CUT-OFF Date, are likely to delay the publication of the Change until the next available AIRAC.
